

## Youth Programs/Party Disclosure:

**Check-In:** Program participants may be checked in 10 minutes prior to program activity start time. **Party host is responsible for collecting and providing Waivers for each participant prior to event.**

**Check-Out:** It is extremely important that every child is signed out after the programmed activity is complete. Please do not leave with your child until he/she is signed out with a Pickleballerz staff member at the check-out desk. Photo ID is required. There is no childcare provided after the program activity ends.

**Late Arrivals/Early Pick-up:** Please stop by the front desk so that a counselor can be notified.

**Late Pick-up:** Please be at the Pickleballerz facility ready to pick up your child at the completion of the programmed activity. Failure to do so creates a problem as we will not have staff available to provide child care. If you are running late, please call the facility immediately to notify. There will be a \$10 charge per 15min delay from pick-up time. Party hosts are responsible for ensuring that party participants are supervised until picked up from facility.

**Participation:** We do our best to provide programs suitable for a variety of ages. However, we do have the occasional child who refuses to participate in the program's activities. In these cases, we will NOT force the child to participate.

Safety is our top priority. We request you not send your child to programs with a cell phone or tablet as these can cause distractions. Should there be any emergency, we will call you and inform you. Your child's safety is our top priority.

Pickleballerz is not responsible for lost or damaged property.

There are a few items each child will need in order to have participation in activities run smoothly:

1. A water bottle is strongly recommended.
2. Sandals, flip flops, and open toed shoes are not proper footwear for Pickleball activities and will not be permitted. Socks and sneakers are required. Black soled sneakers are not permitted. Any other court approved footwear is acceptable.
3. Our facility is climate controlled. Please have your child dress in gym appropriate clothing (e.g. shorts and t-shirt).

If you have any questions, please feel free to contact us at (703) 657-2100.
